Marianela Serodino Runco

Software Development Engineer in Test

✉ serodinonela@gmail.com   📍 Palma de Mallorca, Spain   in marianela-serodino-runco   © WhatsApp

Profile

I am a Junior Automation Tester specializing in using Cypress to automate tests and streamline quality assurance processes. With foundational knowledge of JavaScript and TypeScript, I am equipped to handle various testing scenarios. My skills also include API testing, utilizing Postman to ensure APIs meet functionality and reliability standards. Experienced in manual testing, managing and tracking issues using Jira. My professional aspiration is to continuously enhance my skills and contribute to the excellence of the product at each stage of development.
